1. Authority

The Board recognizes that administrative, professional and support employees do have the right to private lives and associations with others outside of school. However, the Board has a responsibility to evaluate employees' effectiveness in discharging assigned duties and responsibilities.

SC 510

Therefore, when nonschool activities directly impact upon an employee's effectiveness within the school district, the Board reserves the right to evaluate the effect of such activities on the individual's completion of responsibilities and assignments.

The Board does not endorse, support, nor assume liability for any district staff member who conducts nonschool, outside activities in which district students or employees may participate.

2. Delegation of Responsibility

The Superintendent or designee shall disseminate this policy and administrative regulations so that employees may avoid situations in which personal interests, activities, and associations may conflict with the interests of the district.

3. Guidelines

The following guidelines are provided for the information and direction of staff members:

1. Do not utilize school material for personal gain. Copyrights to materials or equipment developed, processed or tested by district employees in the performance of district activities in fulfillment of the terms of their employment, reside with and may be claimed by the district.
